A community of home churches

Welcome! September already, how did that happen?! Whilst it was not exactly the "BBQ Summer" we were promised, I trust that you have had fun. This month we embarked on the "Great Bike Ride" up the Brampton Valley Way as far as Market Harborough. That was a great fun day, with only a small number of casualties...! Later in August, a number of us travelled down to 28:18, the Salt & Light churches summer camp. We had a fantastic time together, aided by sunshine ***shock***! All of us agreed, it was a great opportunity to get to know each other better and have fun together - not least the late nights in the gazebo and Mark's dancing lessons! It was great to get excited together about God and all that he can do in our lives and communities. We were particularly excited by experiences our kids had with God, and the leaps forward each took in their walks with him!! Very, very exciting!

Points for Prayer

Thank God for:

- The 28:18 camp, a real impact on many who went.
- Some great times together over the summer.
- Catherine White's great GCSE results!
- A good sense of God speaking to us at the Hearing God evenings

Pray for:

- The unlocking of God speaking to us in new and exciting ways!
- Wisdom and guidance as we consider ways to help those in need.
- Keep praying for work situations
- Norridge's and Carolyn's house move adventures!
- That we would be spurred us on as we seek to live lives of faith
