A community of home churches

Welcome to edition 2!! This could become a habit?! Although it has only been a couple of weeks since the last one, there has been great answers to prayer. Adam Clifford has a job working within the witness care programme, Jo Clifford has a promotion at Unity College, and Maddy has a job at Northampton College as a lecturer in Health and Social Care. Not only that but there were over 100 people at the JFC BBQ, even with a little rain! Now we head to summer holidays season! I Hope you have some great holidays.

Points for Prayer

Thank God for:

- Jobs for Adam, Jo and Maddy.
- Summer Holidays!

Pray for:

- Joanna Whiteman's family are going through a really tough time and would appreciate your prayers.
- Those starting new jobs in August ;o).
- Wisdom and guidance for us as a church, and next steps in mission and growth. Particularly with the sense of needing to start another Home Church.
- Carolyn Hacking as she seeks to relocate to Northampton and find a job.

What is God saying?

There was a real sense of clarity around what God was saying to us in our July Altogether meeting at Boothville. Here is the 'sound':

- ▶ Dave Hill talked about finding God as our security and not withdrawing to our comfort zones, but rather reaching out to God the father as the ultimate 'safe' place.
- ▶ Carolyn sang about trusting in God the Father, reminding us that He is good and that if we ask for bread He doesn't give us a stone. Reach out and trust Him.
- ▶ Tony Gray prophesied about how big and great God is, and how we can believe in Him and trust Him. He said "don't look how big you are; look how big your God is"

God is calling us to reach out and trust him, even beyond our comfort zones, because he is faithful and able to do amazing things!
